

WEST COAST CAMP 2010 July 19-24

TEEN CAMP is designed specifically to challenge you as a teenager to have an encounter with Jesus Christ through an exciting and awesome program that is second to none. We want to break you out of your daily summer routine and give you a totally different experience from the rest of your summer. Our program will make you roll on the floor with laughter and always keep you entertained, energized, and involved. The activities will never leave you with a dull moment, and by the end of the week, you will not want to leave! We believe getting into the Word of God is one of the most important aspects of our lives. Our Bible speakers will dive deep into the Word of God to challenge you to grow in your relationship with Jesus Christ. They will also share wisdom from Scripture about how to deal with the major issues you face today. Teen camp is geared just for you -- to challenge you, to refresh you, and to encourage you in your walk with Christ. At the same time, you will experience a fun and exciting week of camp you will not forget!

JUNIOR CAMP provides an action-packed week filled with games, activities, and tons of excitement for those of you ages 7-12. It is an entirely separate program that challenges you with issues you face every day. Along with that, we offer tons of awesome activities! Our whole purpose is to develop your relationship with Jesus Christ and to get you excited about God's Word. We believe you will come away from West Coast Camp not only with enjoyable memories of an awesome week, but also with a greater interest in knowing your Savior, Jesus Christ.
